

JOHNSON RECEIVES SBU LIBRARY AWARD

BOLIVAR, Mo. – Southwest Baptist University student Keiton Johnson of Bates City was honored by the SBU University Libraries as Outstanding Student Assistant of the Month for September 2020.

University Libraries' faculty and staff established the monthly award to recognize outstanding employment characteristics – dependability, quality of work, motivation, attitude and cooperation – demonstrated by the student assistants employed at the library.

Johnson, an elementary education major, received an award letter from Dr. Edward W. Walton, dean of University Libraries, a certificate of recognition and a gift. Johnson is a student assistant in the library and is one of the 25 part-time student assistants working at the library as a part of SBU's work-study program.
